### Changes In Staffing Levels for General Government Service Area

**Board of Elections** 

2PT positions deleted in order to create 1FT Elections Computer Technician.

### **Board of Elections**

### MISSION STATEMENT

To administer fair and impartial elections, register voters and accept campaign reports in accordance with Federal, State, County and Municipal laws and regulations.

### BUDGET HIGHLIGHTS

Expenditures for this department have decreased by \$82,122, or 8.5%. Revenues have also decreased by \$71,259, or 16.8%. This decrease is due to the fact that there will be a county-wide primary in FY 08, instead of the County-wide general election that was held in FY 07. In addition, there will be municipal elections held (excluding Winston-Salem) that are reimbursed at 100%. County dollars are down \$10,923, or 2%.

For FY 08, the Board of Elections has traded 2PT positions for 1 new FT elections Computer Technician. This change is reflected in the FY 07 position estimate and in FY 08.

### **Non-Departmental**

Non-departmental is a group of accounts that are general in nature and apply to more than one department. These accounts are more centrally controlled by locating them in Non-Departmental. Every effort is made to include all feasible expenditures and revenues in the operating budgets so that the accounts included in Non-Departmental are kept to a minimum.

Personal Services includes a negative \$1,900,000 (up from a negative \$1,500,000 in FY 06-07) for estimated salary savings in all departments, (salary slippage is included here since it is not possible to predict the departments in which vacancies will occur). Also included in Personal Services is \$2,258,808 for retiree hospitalization which was formerly budgeted in Human Resources. The expense is offset by \$33,570 in revenue from retirees. Personal Services also includes \$2,024,100 for market based adjustments to the employee compensation plan, and \$1,282,140 for a 2.5% merit increase for employees.

Operating Expenses includes \$70,000 for audit fees and \$18,000 for survivor benefits; memberships with NW Piedmont Council of Government, NCACC, Institute of Government, and NACO.

Contingency includes \$714,771 for General Contingency and \$300,000 for Special Gifts. The increase in contingency is due to the anticipated increase in gasoline prices over the \$1.88/gallon that was budgeted for FY 08. Special Gifts provides a mechanism to distribute unanticipated small donations/gifts to departments as they are received during the year. Substantial donations (typically \$7,500 or greater) are forwarded to the County Commissioners for their approval.

Prior year encumbrances of \$1,800,000 are included in FY 08 for items/services that were budgeted for & encumbered, but not completely processed in FY 07.

Payments To Other Agencies provides \$490,000 for distribution of State funds to the Utilities Commission for disposal of tires (offset by revenues).

Revenues include funds to offset expenditures such as special gifts, tire disposal, and retirees hospitalization. Other general revenues such as property tax & sales taxes are budgeted in Non-Departmental, but are discussed elsewhere and are not shown here.

Budget reserve included \$1,508,905 to be used by the Board of Commissioners to select Alternate Service Level Projects for FY 08, or to reduce the Recommended tax rate. These funds will be used to cover increased Medicaid costs for FY 08.

The Requested budget includes \$3,462,414 for an Alternate Service Level request to provide a 5% 401(k) contribution for employees.

Also included in the Adopted budget is \$8,977,525 for the Education Debt Leveling Plan. This represents a 3 cents increase on the tax rate, to be used for future school debt repayment.

#### **PROGRAM SUMMARY**

### **Register of Deeds**

#### MISSION STATEMENT

To record and maintain public records in accordance with regulations and statutes. To make records readily available to the public.

#### **BUDGET HIGHLIGHTS**

The budget for the Register of Deeds reflects a budget to budget expenditure decrease of \$138,559 or 6.5%.

Contributing to the decrease is a reduction of \$103,500 in the County's contribution to the State's Supplemental R.O.D. Retirement Fund based on legislation reducing the required contribution from 4.5% to 1% of the fees collected. Also contributing to the decrease is an \$86,320 decrease for space rental. This reflects budgeted funds for only 6 months due to the anticipated move of the Register of Deeds to the Government Center in January 2008.

The Register of Deeds will use its Automation Enhancement Fund to replace all computers, printers, and peripherals at all customer and employee workstations. In addition, the department will replace four (4) flatbed scanners & other equipment as needed using the Automation Enhancement Fund. The Register of Deeds anticipates using \$385,900 of its fund balance for these replacements.
